

Privacy Policy

The privacy and protection of our customers sensitive information is paramount.

1. We will never sell or transfer your personal information to any other third party company.
2. We collect the following information:
 - Password : To protect your account, your password is double-salted and hashed, once when it leaves the browser and again before it is stored in our database.
 - Zip/Postal Code: The ability to target advertisements for free-to-play games based on relevance and location is valuable to advertizers and helps us keep content free.
 - Birth Year: To validate you are over the age of 13 and to help us target relevant ads where neccisary.
 - Valid email address : We collect your email information only if you are 13 or older. You can use your email to identify yourself and sign into your account. While your account is active we will email you information about our games such as updates and new games. You will never receive emails from us with offerings on behalf of other companies unless explicitly authorized by you.
 - IP Address : Each and every time you log on, your IP address will be collected in order to protect you in case someone other than you is using your account. We also use IP Addresses in non personally identifiable but regional ways.
 - Cookies : We store cookies on your PC to keep track of your account. Cookies are not shared with other companies.
3. Once you've clicked on an advertisement and have left our website, our Privacy Policy no longer applies, and you must read the privacy policy of the advertiser to see how your personal information will be handled on their site.

When purchasing game items or subscriptions to our games, you will have the choice to pay by Paypal or other e-commerce that may be available today or in the future. We will collect the required information for each payment method, however. This information will be kept confidential and is only shared under industry standard security methods to the billing partners. The billing partners have no right to use your information other than completing the billing process you have initiated.

If we materially change our privacy policy, we will notify you when you sign on or send you an email if we have it on record. We will offer you the choice to agree to our new privacy policy. We will delete your account should you refuse to agree to the new privacy policy.

You can change your information with the exception of your User ID/Email Address anytime by visiting the game site, signing on, and then choosing the 'My Account' link.

In the event that we sell a portion or our entire Company, we will include provisions in the selling

contract requiring the purchaser to treat your personally identifiable information in the same manner required by this Privacy Policy.

We will disclose personal information when we believe in good faith that such disclosures are required by law, including, for example, to comply with a court order or subpoena, or will help to enforce our Terms of Use; enforce contest, sweepstakes, promotions, and/or game rules; protect your safety or security, including the safety and security of property that belongs to you; and/or, protect the safety and security of our Web sites.
